From its inception, Mount Mary College has been a women's college. Benefit-eligible male employees of Time Warner Cable are welcome to enroll in the undergraduate Nursing BSN Completion and the MBA programs.

Application process:

Mount Mary College requires the employee to obtain from a human resources representative, a yearly letter indicating current status as a benefit-eligible employee of Time Warner Cable. The letter should be submitted electronically to Judy Borawski, Corporate Grant Coordinator at Mount Mary College, borawskj@mtmary.edu.

Along with the employer letter, interested students need to apply for admission to the College. The application and further admission information are available online at www.mtmary.edu/apply.htm. Also, be sure to schedule an appointment with an admission counselor to review transfer credits, academic opportunities, tuition and other important information.
