We have a day of thanks, a day of deals, and now we have a day of giving. Join Mount Mary University for #GivingTuesday on December 1, 2015.

This year, we’re highlighting the phenomenal impact of the Student Success Center. Did you know that our retention rates have increased to 80% in the past four years because of the Student Success Center? Multiple services, such as tutoring, advising, counseling, accessibility services, service learning, and more help our Mount Mary students excel.

We need your help in getting the word out. And here’s an easy way for you to tell the world why we support the Student Success Center.

Visit: cxl1.net/mtmary

Using your smartphone, tablet, or a desktop with a web camera, tell us in a short video about your experience. Aim for no longer than 30 seconds. Here are a few questions you could answer:

*(You don’t have to answer all of these, and if you think of a better response, go for it!)

1. Why do you support the Student Success Center?
2. Tell us one really awesome thing about the Student Success Center. Give us the details!
3. How has your experience at the Student Success Center helped you excel at Mount Mary?

OR, take a photo of yourself!

1. Use #GivingTuesday
2. Tag Mount Mary University (we’re on all of the networks!)

We will be using your responses in a campaign to ask our alumnae and community to support the Student Success Center. Thank you for your help!
