# Mount Mary College Interior Design Department

## **THE MISSION OF THE INTERIOR DESIGN DEPARTMENT**

The Interior Design Department, in support of the College mission to create an environment for the development of the whole person with an emphasis on leadership, integrity, and social justice, offers a comprehensive, current, and accredited education. The program prepares students for present and future demands in the interior design profession; to solve problems with creativity, integrity, and critical thinking; and to recognize their responsibility to the profession, environment, and global community.

## **THE PHILOSOPHY OF THE INTERIOR DESIGN DEPARTMENT**

The Interior Design Department faculty recognizes and responds to the continual changes in technology, skills, specializations, and the industry as they impact interior design and related fields. The faculty provides academic and experiential course work augmented by community outreach, professional involvement, and one-on-one student contact in and out of the classroom.

## **THE GOALS OF THE INTERIOR DESIGN DEPARTMENT**

- To respond to continually changing needs within the profession.
- To encourage critical thinking, creative problem solving, and social sensitivity.
- To introduce a wide variety of career options.
- To offer leadership, school involvement, and community service opportunities.
- To identify and communicate individual strengths and weaknesses.
- To facilitate personal and professional development.
- To emphasize networking with peers, alumnae, and practitioners.
- To introduce sustainability, diversity, and global issues.
