

Urban Education Fellows Program
Fellows Application

The Urban Fellows Program, sponsored by the Greater Milwaukee Foundation, and the Trinity Foundation, is a collaborative project of Alverno College and Mount Mary College. The Urban Education Fellows Program prepares highly qualified teachers through an intensive program that includes a two-year internship in an independent private, parochial, or charter school in Milwaukee's central city.

The Urban Education Fellows Program

To be eligible, you must

- Hold a BA or BS degree from an accredited college or university *(for high school program, you must have a major in math or science or a related area)
- Demonstrate strong academic knowledge and skills
- Demonstrate effective written and oral communication skills
- Demonstrate leadership in community, schools or career
- Show dedication to working with students from diverse backgrounds

Your responsibilities as a Fellow include

- Serving as an intern teacher for two academic years
- Participating in the required coursework for licensure and master's (including summer sessions)
- Maintaining good academic standing

You will receive these benefits:

- Salary and benefits while you earn your credential
- Academic award to support a portion of tuition costs
- Hands-on classroom experience supported by qualified mentors
- Peer support network

delgadil@mtmary.edu

A complete application includes the following:

Application Form (on reverse side)

The entire application must be completed. Do not write "refer to resume" on the application.

Transcripts

Submit **two** official transcripts. Transcripts must be current and sealed in envelopes from the college/university from which you received your baccalaureate degree. Transcripts must verify that a degree has been earned. The college/university must be accredited.

Pre-Professional Skills Test (PPST)

If you are selected to move to step two of the application process, you will be required to pass the PPST (also required for state licensure) and participate in an interview. Information about the PPST is enclosed with this application.

One page writing sample

Please write a 500-750 word statement ***indicating your interest in teaching children in urban schools.*** Include experiences you have had that sparked this interest. Edit your writing sample carefully.

Letters of recommendation

Submit three letters of recommendation that address your strengths as a learner or worker as well as your ability to work with children; preferably one from a supervisor and one from a college/university faculty member. Letters must be sealed and sent directly to the UEFP

Resume

A current resume should be included.

Send completed applications to:

**Applications accepted now through
December 31st of this year.**
