CAMPUS MINISTRY VISION

The development of spiritual leadership, integrity and responsibility provides the groundwork for leaders who are sent forth to address the challenges of society and promote systemic change.

CAMPUS MINISTRY MISSION

The mission of Mount Mary Campus Ministry is to support transformative education by developing leaders who recognize the "holy" in themselves and others and believe that all are created in the image of God.

The mission promotes an atmosphere and attitude of welcome and respect for the beliefs of all denominations and reflects the witness given by the School Sisters of Notre Dame to justice and global community.

Campus Ministry at Mount Mary College serves the spiritual needs of the campus community. With a Christian vision rooted in the Roman Catholic tradition, Campus Ministry offers the invitation to rituals of faith and worship, sacred times of retreat and reflection and the awareness of social justice through opportunities of outreach beyond the college community.

CAMPUS MINISTRY GOALS

Spiritual Development: Assist students in finding the “HOLY” within themselves and in others.

Student Leadership: Develop in students an excitement and ownership of Campus Ministry events by inviting them to take responsibility for programs and promoting campus involvement.

Social Awareness: Assist students in becoming aware and awake to the needs of the greater community, locally and globally, and inviting them to give of their time and talents.

School Sisters of Notre Dame Mission: Promote “unity in the midst of diversity” through attitude and action.
