Hours: We will be closed from Christmas Eve day through January 3rd when the college is closed. Starting on the 4th, you can get a key from the Academic Resource Center (ARC) as well as at the Switchboard when no one is on duty.

ALL BOOKS and MATERIALS ARE DUE by the end of this week. We need to take inventory and need all materials returned before graduation. *If you have overdue books from this year or even last year, please return them.* I know it is easy to overlook a book with the vast amount of books we use. We will even look for the card and shelve the book(s) for you. We are trying to establish an online database. Thank you for your help in returning all materials that have been checked out.

JOB OPENINGS: Though many of you use the internet for prospective jobs, we are still receiving postings for various job opportunities. So, especially if you are in the Milwaukee area, stop by the TEC to check out other prospects. There are full and part-time positions as well as openings for volunteers.

PORTFOLIO PRESENTATIONS: We are looking forward to January 14th when our graduates present their portfolios as the last step to obtaining their WI license. Presentations will be in the TEC.

May Each of You

Have a Blessed Holiday Season!
